PROJECT: MIDTERMS

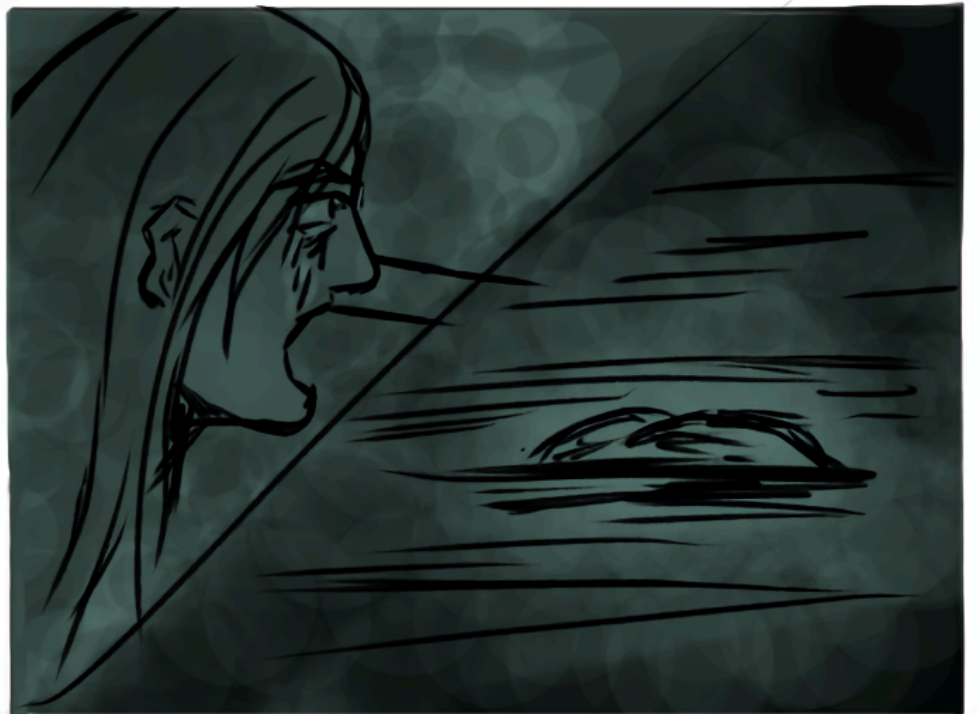

the character fell asleep on the  
tub while running the water

The person fell on a dream that  
she was drowning in a pool

because of the dream, she  
found herself-- drowning,  
with the water above her nose.

she woke up shoked and found  
her own body in front of the  
tub. it wasn't just a dream, she  
for real drowned.
